

BRITISH SIGN LANGUAGE

As a school we are very pleased to have staff who are trained or training in British Sign Language.

British Sign Language (BSL) was recognised by the government as a language in its own right in March 2003. BSL is the first or preferred language of an estimated 70,000 Deaf people in the UK. BSL is a visual-gestural language, with its own grammar and principles, which are completely different from the grammatical structure of English.
