Dear Parents / Carers

## **Parent Email Request**

In a move to improve home-school communication we would like to start sending letters/news etc via email.

With the growth in email, smartphones and general home computer use, we have noticed this is the preferred method of communication for many parents now.

There are benefits for all parents/carers adopting this method of communication.

- Communicating with home directly via email is far more reliable and far faster than depending on letters and notices being sent home. I am sure we have all found letters that are weeks old at the bottom of a school bag!
- More frequency of information, keeping parents/carers better informed.

If you would like to be communicated with via email please will you complete the slip attached and return to school as soon as possible, or provide the requested information by emailing; [office@brinsworthwhitehill.org](mailto:office@brinsworthwhitehill.org)

We will still continue with our present system for those parents who express a preference for paper-based communication. We hope that you will join us in using this system for communication.

Kind regards

School Office

Please provide your email address so that Brinsworth Whitehill Primary School may contact you with news and information. **Please print clearly.**
