Physical Education & Sport Grant Expenditure

September 2014 to August 2015

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils eligible for PESG	252
Total Amount of Physical Education Sport Grant	£9,260

Background and Context of PESG
<p>PESG was introduced from April 2013 so that schools could improve the quality and breadth of their physical and sport education.</p> <p>Schools are free to determine how to best use this funding with the expectation that there will be an increased participation by primary aged pupils in PE & Sport so that they develop healthy lifestyles and reach the performance levels they are capable of.</p> <p>Following the Ofsted report "Beyond 2012" that identified the need for additional support in Primary Schools for the development of Physical Education & Physical Activities, the Department for Education in partnership with the Department for Health have invested £150 million in a national programme to improve the qualities of Physical Education. Each school has been allocated funding to deliver their own individual programme. From September 2013, inspectors will assess and report on how effectively this funding is being used to improve PE & Sport provision.</p>
Rationale of PESG
<p>Brinsworth Whitehill is committed to enabling all pupils to achieve to the best of their abilities. As well as adopting healthy lifestyles we want our pupils to enjoy, regularly participate in and reach the highest sporting performance level they are capable of.</p> <p>We have recruited support from the Rotherham based charity Active Regen who specialise in the delivery of Physical Education in schools across South Yorkshire. We have jointly developed a programme of activity that aims to provide:</p> <ul style="list-style-type: none">• A balanced programme of Physical Education & Physical Activity• A Programme of activity in lessons & extra-curricular• A training programme to up skill teaching staff, lunchtime supervisors & playground friends (Young Leaders Award) to deliver high quality physical education in School
