2nd February 2018

Dear Parents and Carers,

We are to conclude our spring topic, 'Who would live in a house like this?' by re-creating our very own castle banquet in school. In preparation, we have been busy finding out: Who went to a castle banquet, what they ate and drank, what entertainment there was, what music they listened to and what decorations were used.

The banquet will take place in the Great Hall on the afternoon of **Thursday 8th March 2018** (in school time) and will include eating, dancing and lots of merriment! We will be making hats and crowns to wear and decorations to put up in the hall for the special feast, as well as learning a traditional medieval dance to perform.

In order to get into character and make the afternoon really special we ask that the children **bring party clothes to get changed into**- something fit for a prince or princess! We also ask that each child brings a **voluntary contribution of £1** to provide food/drink and baking ingredients for our castle banquet.

We hope this will provide a valuable learning experience for the children and will be a lovely celebration of our castles topic.

Yours sincerely

Key Stage 1 class teachers
