Success for All

Dear Parents/Carers,

We are pleased to inform you that we are embarking on a new and exciting way in which we will deliver our Literacy curriculum. Success for All (SFA) teaches children to become strategic readers and writers, starting in Foundation Stage through to Year 6. It covers all the different aspects of literacy - reading, phonics, comprehension and fluency, and writing. Not only does this programme accelerate attainment and progress in literacy, it also builds on co-operative learning strategies which are already embedded in school.

Children may be in different groups to their 'home class' in order to focus on specific reading targets. These groups will be assessed regularly and children will be regrouped accordingly.

If you have any questions, please speak to either your class teacher or Mrs Knight, the SFA facilitator in school.

Yours faithfully

Mrs C Oxborough

Head of School
