Fair Processing Notice

Brinsworth Whitehill Primary processes personal data about its pupils and is “a data controller” in respect of this for the purposes of the Data Protection Act 1998. It processes this data to:

- Support its pupils’ teaching and learning
- Monitor and report on their progress
- Provide appropriate pastoral care
- Assess how well the school as a whole is performing

This data includes contact details, national curriculum assessment results, attendance information, characteristics such as ethnic group, special educational needs and any relevant medical information.

This data may only be used or passed on for specific purposes allowed by law. From time to time the school is required to pass on some of this data to:

- Local Authorities
- Department of Education (DfE)

and to agencies that are prescribed by law, such as:

- Qualifications and Curriculum Authority (QCA)
- Ofsted

All these organisations are data controllers in respect of the data they receive, and are subject to the same legal constraints in how they deal with pupil data.

If you would like a hard copy of the full Fair Processing Notice, please contact school and one will be provided upon request. The full version explains in greater detail how pupil data is processed and the rights of parents and pupils in addition to contact details of the above organisations.

Further information and guidance on the Data Protection Act 1998 generally, can be found on the Information Commissioner’s website: www.ico.gov.uk
