22nd November 2017

Dear Parent/Carer

I am pleased to announce we have organised a maths workshop for parents and carers next week. This workshop will provide handy hints for parents on "How to help your child with maths at home". This will be run by the fantastic maths consultant Carol Connell, who you may remember ran an amazing workshop for us before. It was highly rated and we are lucky this time to offer two workshops.

Tuesday 28th November 2017 for KS1

Time: 5.30 pm – 6.30 pm

Venue: KS2 hall

Wednesday 29th November 2017 for KS2

Time: 5.30 pm – 6.30 pm

Venue: KS2 hall

Refreshments will be available.

Please can you complete the reply slip below.

Yours sincerely

Mrs A Lee
Headteacher
