9th November 2017

PHOTOGRAPHS

The Photographer is to visit in school time on Tuesday 14th November 2017. Family photographs of children with siblings in school and individual photographs will be taken. Proofs will be sent home for you to choose the package you would like, should you wish to purchase.

Families who wish for photographs to include pre-school or older children not at our school, can have their photographs taken **after** school from **3.00 pm** in the KS1 school hall.

It would be helpful if you will return the proforma at the end of this letter so we know which children should be included on family photographs.

Thank you for your assistance in helping the day to run smoothly.

Yours sincerely

School Office

PHOTOGRAPH PROFORMA

I would like the following children to have their photographs taken together.

Name..... Class.....

Name..... Class.....

Name..... Class.....

Name..... Class.....

Name..... Class.....

Family photographs to include pre-school children will be first come, first served after 3pm.
