

Brinsworth Whitehill Primary

BEHAVIOUR POLICY

This Behaviour Policy is based on the partnership between Governors, staff, pupils, parents, the LA and the community in order to maximise the ability of our pupils to fulfil their potential. The school expects full support from parents in implementing the reward and discipline policies: parents are expected to contact the school regarding any concerns that they have. The standard of behaviour expected of all pupils is included in the school's home-school agreement which parents are asked to sign following their child's admission to a school.

Objectives:

- promoting self-discipline and proper regard for authority among pupils
- encouraging good behaviour and respect for others and seeking to prevent bullying
- securing high standards of behaviour for all pupils
- ensuring that pupils complete any educational tasks reasonably assigned to them and generally regulating the conduct of pupils.

EXPECTATIONS WITH REGARD TO THE GOVERNING BODY

The Governing Body will make and review a written statement of general principles which the head teacher must have regard to in determining any measure taken to promote good behaviour and discipline. The Governing Body will bring to the head's attention any measures they consider she should have regard to, and offer guidance as they consider appropriate. This should reflect current DfE guidance.

EXPECTATIONS WITH REGARD TO THE HEADTEACHER

The headteacher is accountable for the implementation of the policy, and will delegate the responsibility for its day to day management to the SLT and others.

EXPECTATIONS WITH REGARD TO STAFF

Staff will be expected to:

- arrive on time to their lessons or collecting children from the playground
- create a swift and purposeful start to the lesson
- deliver a suitably planned and structured lesson which meets all individual needs
- deal with incidents of inappropriate behaviour by following the school's procedures
- promote and reinforce 'The Whitehill Way' in lessons and around school
- record any incidents on CPOMs (teachers) and report incidents to teachers (TA's)

The Governing Body, Headteacher and Staff will ensure there is no differential application of the policy and procedures on any grounds, particularly ethnic or national origin, vulnerable, culture, gender, disability or sexuality. They will also ensure that the concerns of pupils are listened to and appropriately addressed. Parents/Carers will be informed of the statutory nature of this policy.

EXPECTATIONS WITH REGARD TO PUPILS

Pupils will be expected to follow 'The Whitehill Way' and:

- conduct themselves around the building in a safe, sensible, manner and show regard to others
- arrive on time to lessons
- follow reasonable instructions given by the teacher
- behave in a reasonable and polite manner to all staff and pupils
- show respect for the opinions and beliefs of others
- complete all class work in the manner required
- hand in homework at the time requested
- show respect for the working environment

EXPECTATIONS WITH REGARD TO PARENTS/GUARDIANS

Parents and guardians are expected to:

- work in partnership with staff to ensure good behaviour
- inform staff of any concerns
- respond to concerns raised by members of staff
- ensure pupils come to school correctly equipped and prepared to work

RAISING POSITIVE BEHAVIOUR WITHIN SCHOOL

At Brinsworth Whitehill, we pride ourselves in following 'The Whitehill Way'. We feel this system encourages and empowers children to make the right behaviour choices. It also promotes key elements to learning such as perseverance, independence, respect, achievement, tolerance and enjoyment.

We have very high standards and expectations of behaviour in our school. As a school we promote positive behaviour and have effective systems in place to ensure that this is recognised and encouraged, for example through being awarded collaborative team points in SFA, rewarding children through Golden Time and by nominating children to be a 'Whitehill Wonder.'

We also have a clear consequence system in place to ensure that negative behaviour choices and unacceptable behaviour is addressed.

Consequences are appropriate for the age and need of the children, however all systems are based on the same principle of putting clear sanctions in place where necessary for persistently negative behaviours.

Please note - all behaviour approaches can be tailored and personalised to the needs of a group/individual where necessary.

Golden time

Golden Time is a special time for all the children who have followed 'The Whitehill Way' earning up to 10 minutes of golden time each day. It takes place on Friday afternoons and lasts for 50 minutes. The activities used during Golden Time are special and specific to Golden Time. Some of the sessions ran in KS2 are to enhance children's skills or interest. Clubs which have been on offer include engineering, art, sign language, karate, drama and poetry. Golden Time is a whole school policy that involves all staff. We feel this is important in giving the children a consistent approach. If children are not following The Whitehill Way, then they will receive a warning. Continuing to make the wrong choice will mean children will not earn their ten minutes of Golden Time that day. Persistent missed Golden Time is monitored by SLT and can be recorded through our CPOMS system.

SFA

As part of SFA, children are encouraged to work collaboratively with their peers in lessons. When they show positive behaviours for learning within their team, they can earn team points. The 'winning' teams will receive certificates in KS1 and a dip in the box. KS2 winning teams will receive a dip in the box as decided by the school council. In addition to the team points, children are expected to follow active listening strategies, be able to think-pair-share and tell-your-partner. These are all approaches within lessons to encourage talk through learning with other children within their team. Random reporter should be used to question the children.

SUPPORT STRUCTURES FOR PUPILS CAUSING CONCERN

The following structures exist within the school to support pupils whose behaviour is causing concern. Referral to these areas of support is via the head and in all cases parental involvement is essential.

Mentoring Scheme

Staff in school are available to work within the school to support and encourage pupils who are not achieving their potential.

ELSA

Children can access support from our ELSA trained TA

Placement on the SEND Register

Pupils on the register are monitored by the SENCO and appropriate interventions are put in place.

Pupil Support Plans

These plans are for pupils who are in danger of permanent exclusion. Pupils are set targets and the school's interventions are stated.

PROCEDURES FOR DEALING WITH UNACCEPTABLE BEHAVIOUR

It is the responsibility of teachers to deal with minor incidents which occur in the classroom. More serious incidents can be dealt with by the teacher, but must also be recorded on CPOMS so SLT can monitor and deal with efficiently. After the SLT has dealt with the matter, the incident is actioned on CPOMS with clear outlines of the incident and any actions or consequences. Members of the Senior Leadership Team are available throughout the day to remove pupils from lessons where there is serious disruption. Teachers should send a sensible pupil to the main office who will contact the member of the SLT. However, these incidents still need to be recorded to enable SLT to deal with the matter. The Headteacher (or a member of the SLT deputising for the Head) is the only member of staff who can sanction a fixed term or permanent exclusion. In the case of all exclusions, parents/guardians are informed in writing of the reasons for the exclusion and their right of appeal. Excluded pupils are provided with work for the duration of the exclusion.

THE SANCTION SYSTEM

We have in place a range of options and clear sanctions for those who do not comply with the school's behaviour policy. These will be proportionate and fair responses that may vary according to the age of the pupils, and any other special circumstances that affect the pupil. When poor behaviour is identified, sanctions are implemented consistently and fairly in line with the behaviour policy.

SANCTIONS

Outlined below are examples of unacceptable behaviour and sanctions which are available. This is not a tariff, and each case must be dealt with according to its merits. Sanctions will be applied fairly in accordance with DCSF guidance and exclusion used when no other alternatives are available.

Minor Incidents

These incidents are dealt with by the classroom teacher and include, for example: throwing paper; calling out; chewing; not following instructions; incomplete class work; no homework; lack of equipment.

Sanctions could include:

- verbal reprimand or use of the warning sanction on behaviour display in classroom
- moving seat
- missed breaktimes
- phone call home.
- sent to a temporary alternate space (supervised by an adult)

Persistent incidents, or incidents of medium severity

These incidents **must** be recorded on CPOMS.

Unacceptable behaviour in this category includes:

- Persistency of minor incidents as above
- rudeness to staff
- verbally aggressive behaviour to another pupil
- being continually off-task.

SLT's sanctions include:

- meeting with pupil
- contact with parents by phone or letter
- missed breaktimes

- discussion with class teacher
- referral to Head teacher

Serious Incidents

Serious incidents are dealt with by the Headteacher and/ or the SLT (including phase leaders) and include:

- truancy from school & lessons
- extreme rudeness to staff
- aggressive behaviour
- refusal to comply with other sanctions
- theft
- bullying

Headteacher's sanctions include:

- meeting parents/guardians
- placement on Daily Report

Very Serious Incidents

These incidents are dealt with by Headteacher and/or assistant headteachers. They include:

- persistency of the above
- serious incidents of bullying
- racial harassment
- fighting
- bringing an offensive weapon to school (laser pens, knives, pellet guns, fireworks, scissors, this list is not exhaustive)
- Physical aggression to a member of staff will be treated with the utmost severity

Sanctions available include:

- internal exclusion
- fixed term exclusion
- permanent exclusion
- Police involvement

Confiscation, Including the Retention and Disposal of Inappropriate Items

The School includes confiscation of a pupil's property as a disciplinary sanction. To be lawful, confiscation will be used as a reasonable sanction in the circumstances of the particular case. Decisions about retention and disposal of confiscated property will be reasonable in the circumstances of the particular case. The Education and Inspections Act 2006 includes a specific statutory defence for school staff who have reasonably confiscated pupils' property. The aim pursued in confiscating property is maintaining an environment conducive to learning, one which safeguards the rights of other pupils to be educated, and to remove items which, for example:

- pose a threat to others: e.g. a laser pen
- pose a threat to good order for learning: e.g. mobile phone
- be against school uniform rules: e.g. a pupil refuses to take off a baseball cap
- pose a health or safety risk: for example a pupil wearing earrings
- be counter to the ethos of the school

It is the norm that most items, that do not pose a danger to the health and safety of the school and the welfare of the school community, will be returned to the individual (or parents) at the end of that day on which it was confiscated. Decisions about retention and disposal of confiscated property

must also be reasonable in the circumstances of the particular case and the school will seek advice from the police if and when it is considered appropriate.

The use of force and physical restraint – Positive Handling.

The Education and Inspections Act 2006 confirms the statutory power of the school to use such force as is reasonable in circumstances that, by doing so, will prevent a pupil from:

- Committing any offence
- Causing personal injury to or damage to the property of, any person (including the pupil himself/herself)
- Prejudicing the maintenance of good order and discipline at the school or among any pupils receiving education at the school; whether during a teaching session or otherwise.

This applies both on site and off school premises where the member of staff has lawful control or charge of the pupil. This does not authorise corporal punishment (Section 548, EA 1996). This power applies to:

- Any member of staff (teaching or non-teaching) who works at the school.
- Any other person whom the Headteacher has authorised to have control or charge of students, including
 - People to whom the Headteacher has given temporary authorisation to have control or charge of pupils (e.g. catering or premises staff) and unpaid volunteers (e.g. parents accompanying pupils on school-organised visits).

Other than in these circumstances, staff only have common law rights to use force to defend themselves, persons or property. Employers providing work experience placements for school pupils only have common law rights to use force.

- Staff should always avoid touching or restraining a pupil in a way that could be interpreted as sexually inappropriate conduct.
- Under no circumstances should force be threatened or used as a punishment.
- When reaching a decision about using force in a particular situation, staff will need to take into account relevant factors related to any special educational needs or disabilities of the particular pupil.
- The school will keep systematic records of every significant incident in which force has been used.
- Any injuries should be reported and recorded in accordance with school procedures and appropriate support provided where necessary. (see appendix 1 – use of reasonable force DfE)

TEAM TEACH

Brinsworth Whitehill Primary is a Team Teach School and all members of SLT have up to date training for the Team Teach positive handling procedures and guidance. To support any child in crisis staff will respond with Positive handling techniques only when reasonable, proportionate and absolutely necessary.

Positive Handling describes the full range of team teach methods used to deescalate, defuse and direct a child in crisis in order to prevent violence and reduce the risk of injury to children and adults. Positive handling is underpinned by documentation to support the child and aims to improve security and safety, allowing recovery, repair and reflection for all concerned. 95% of de-escalation will occur from:

- Use of space
- Changes to environment
- Stance and posture
- Facial expressions
- Intonation

- Simple positive messages Failure of these strategies in de-escalation may result in physical interventions when reasonable, proportionate and absolutely necessary.
 - Prompts
 - Guides, escorts, holds
 - Restraint / restrictive physical interventions.
- Any physical interventions will be for a minimum time and as a last resort.

Taking Account of Individual Pupil Needs

The School will take account of SEN, disability and the circumstances of other vulnerable pupils by having regard to the Disability Discrimination Act 1995 (Code of Practice for Schools –Disability Discrimination Act 1995), and the SEN duties in the Education Act 1996, both of which were amended by the SEN and Disability Act 2001. The factors below will be considered in order to take account of individual pupils’ needs and circumstances when applying the school’s behaviour policy, regarding, in particular: race, religion and culture; and SEND, disability and the circumstances of other vulnerable pupils.

Race, Religion and Culture Key Points:

- We aim to avoid discriminating against particular racial groups in the application of the behaviour policy.
- We aim to monitor and assess the impact of the behaviour policy on pupils, staff and parents/carers of different racial groups.
- We aim to ensure staff members are well informed about cultural differences in behaviour and their implications.
- We aim to support newly-arrived pupils in understanding and following the behaviour policy.
- We aim to take appropriate account of cultural and/or religious needs when developing or reviewing rules related to school uniform and appearance.

SEND and Vulnerable Pupils Key Points:

- We aim to make reasonable adjustments in the application of the behaviour policy to disabled pupils.
- We aim to make special educational provision for pupils whose behaviour related learning difficulties call for it to be made.
- We aim to be alert to the potentially disproportionate impact of the school’s disciplinary framework on vulnerable pupils.
- We aim to identify at-risk pupils in advance.
- We aim to ensure that all those in contact with the pupil know what has been agreed.
- We aim to make sure that every vulnerable pupil has a key person in school who knows them well, has good links with the home, and can act as a reference point for staff when they are unsure about how to apply the disciplinary framework.
- We aim to ensure that all staff are aware of appropriate referral procedures. Please refer to Section 3.9 of the DfE Guidance for Schools for further information.
