22nd November 2019

Dear Y2 Parent/Guardian

Following our recent Y2 parent consultations, several parents have asked me about how they can further support their child at home. I have recommended some CGP education books that offer the opportunity for children to practice and consolidate their learning at home.

The books are available online at www.cgpbooks.co.uk.

KS1 Maths Targeted Study Book - Y2

KS1 SPaG Targeted Question Book - Y2

KS1 English Comprehension - Y2

The best learning experiences are the 'real life' situations children find themselves in. These learning books can act as a tool to help children to practise these skills. I must emphasise that the most effective learning happens when a child reads with an adult, writes the weekly shopping list or calculates how much change is needed when shopping.

In January, I will be hosting a Y2 parent meeting, which will be essential for your knowledge of what your child is learning and the expectations they are required to meet in the KS1 SATS.

Please ask a member of the KS1 Team if you require any more help or advice.

Many thanks for your ongoing support,

Mrs Peach

Key Stage One Leader
