Dear Parent/Carer,

Our Teachers2Parents messaging service will be ending this summer. The only way for us to communicate with you will be through MyEd. We have been using MyEd for around a year now and have found it is a great way to keep in touch with you and also for you to contact the school. However we have noticed that some parents haven't signed up.

MyEd is the free parent app that gives you a multitude of communication and information features to stay in touch with events happening at school. The app gives you direct access to your child's attendance, absence records and much more. You will also see that we update and change the information in the app as the school year moves along.

The MyEd app is available now for both Apple iOS and Android devices and can be found on either the Apple App Store or on Google Play. It is easy to set up once installed.

We are going to be offering a drop in service at the school office to hopefully answer any questions, check we have your correct details in our system and help you to set up the app.

If you would like some help then please contact the office and Amy will contact you to arrange a time to come in. If we can't answer your question on the day we will endeavor to get a reply for you ASAP.

Thank you

Mrs C Oxborough
Head of School
