9th January 2020

Dear Parent/ Guardian,

Y2 SATS Information Event – Thursday January 16th at 2.15pm KS1 Hall

On January 16th you are invited to join Mrs Peach and your child to learn more about the statutory KS1 SATS Tests, which your child will sit in May 2020. These tests are an important part of your child's education and form part of our final judgement at the end of the academic year.

All parents and grownups who support your child at home are invited to join us to have a go at completing some test questions, find out about what the tests include and have the chance to ask any questions about how you can give further support at home. Your child will also be part of the event.

Drinks and biscuits will be available at this informal event. It is really important that you try to attend to work alongside you child and find out more about how we can work together.

Please ask your child's class teach should you have any questions.

Kind regards,

Mrs Peach
KS1 Leader
