

## Y3/4 ART TASK 2

To choose a way in which to make or create your fossil design.

1.

<https://www.bbc.co.uk/cbeebies/makes/presenters-making-a-fossil>

Using salt dough or clay to shape or draw the outline of your fossil shape. Watch the film to help you or give you ideas.

2.

<https://www.bbc.co.uk/teach/class-clips-video/art-and-design-printmaking-different-materials/zhytscw>

Make a print of your fossil using a potato or using string to shape onto paper or card then paint and print. Maybe you could repeat the pattern over and over.

3. Cut your fossil design out of one colour paper and stick it onto another colour.
