Box up plan (Red)

Underlying Pattern	Story idea 1 (futuristic)	Story idea 2 (traditional tale)	Own Idea
Main character (MC) warned not to do something or go somewhere	Alec travelling on empty tube train which suddenly stops in tunnel. Told to stay on board by robotic voice.	Hansel and Gretel warned to stay out of the forest.	
MC enters familiar setting and ignores warning Hours pass. No driver evident.	Alec decides to free himself. Leaves tube and sets off down tunnel.	The two children set off for a picnic, ignoring their father's warning.	
MC explores the pleasant setting	Walks through large mechanical infrastructure. Admires the technology.	They follow a stream and find a glorious lake in the middle of the forest. They decide to swim.	
The atmosphere of the setting changes and MC is isolated	Lights all turn off, leaving Alec in darkness.	Time passes and ,before they know it, it is getting dark	
A threat is introduced and MC reacts	Alec hears shouts and screams and then the sound of footsteps running in his direction. He runs.	They are not sure of their way home and head for a light in the woods, not realizing that they are being watched by the witch.
