

Drowned Planet

Formal and informal

In *Drowned Planet*, the characters normally talk in an informal, chatty way.

1. If Farla was speaking formally, she might say "There is no chance of that," instead of "Not a chance." What could Tench say instead of "Gotcha!" if he was speaking formally? Write it below.

2. Look at the informal words and phrases below. Write down a more formal way of saying each one. The first one has been done for you.

Yo, dude! _____

Gotta dash! _____

Yeah, right! _____

Huh? _____

3. Write down an informal way of saying these formal words and phrases.

Thank you very much. _____

I do not believe you. _____

Yes. _____
