WC 29.6.20			<u>PM</u>	
Monday	Watch the Australian animal power point and then try to remember as many animals and facts as you can. Get a grown up to help you make a list. Who can remember the most things? I bet it's you!! Which is your favourite animal?	Practise your number bonds or times tables with someone at home or use https://www.topmarks.co.uk/maths-games/hit-thebutton MATHS	Maths no bonds 10 and 20. Complete the number bonds to 10 and 20 sheet and then if you really want to get your brain working complete the number bonds challenge sheet.	Can you find out more about one of the animals in Australia that you have just learned about on the power point.
Tuesday	Can you choose either the koala or kangaroo from the parts of Australian animal information activity. Read the information carefully and complete the task.	Practise your number bonds or times tables with someone at home or use https://www.topmarks.co.uk/maths-games/hit-thebutton MATHS	Maths -Tricky Tens! Can you work out the addition and subtraction sums on this sheet?	Relax and colour the kangaroo colouring sheet.
Wednesday	Maths - fill in the missing numbers in the addition and subtraction sums (mild) or adding 3 one digit numbers. (Spicy)	Practise your number bonds or times tables with someone at home or use https://www.topmarks.co.uk/maths-games/hit-thebutton MATHS	Time for some art! Draw your own kangaroo or koala. Follow the instructions and it's easy!	Play a card game or dominoes with an adult.
Thursday	Maths word problems. One step and two.	Practise your number bonds or times tables	Read the information about Australian Animals and answer the questions. Comprehension.	Make the split pin kangaroo. If you don't
