

## Y3 Literacy activity 1

As we are learning about Mary Anning this week, watch this video and read the information from the PowerPoint to help you answer the questions below. I have also included a fact file on her.

<https://www.bbc.co.uk/teach/class-clips-video/ks1-ks2-mary-anning/zn7gd6f>

Remember to use evidence from the video and PowerPoint when answering the questions.

1. When was Mary Anning born?
2. Where was Mary Anning born?
3. What did Mary Anning discover? Why did she become famous?
4. Can you name some of the fossils she discovered?
5. Why do you think Mary Anning is an important person in history?

There is also a quiz on the PowerPoint if you want to challenge yourself further!
