

## Year 4 writing task 1a

Can you read this WAGOLL and underline the features?

### **Eye witness account**

WAGOLL (What a good one looks like):

On the night of their most recent win, Mr and Mrs Mills had their granddaughter staying with them. Betty told us how it happened, 'The lottery draw was on television and Alisha happened to be watching it. My husband and I were busy doing the dishes in the kitchen so she asked if she could check the numbers for us. In the next moment, she's screaming and shouting the house down! I thought she was joking.' The couple had five matching numbers, winning them a life-changing amount of £800 000.

Mr Mills added, 'We were all jumping around and dancing in the living room. We never believed it could happen again.' Alisha commented on the experience, 'I never knew my grandad could move like that!'

When asked about their secret for choosing winning numbers, Mr Mills explained, 'We've always chosen numbers that mean something to us, like family birthdays or house numbers.'

The two winners have revealed that they'll be donating £600 000 of their win to local, national and international charities. 'They need the money more than we do,' stated Mrs Mills, 'we'll treat ourselves to a nice meal out somewhere and give the rest to the family. We have our health and happiness so what more could we ask for?'
