Dear Parent / Carer

HEAD LICE

A number of children in your child's class appear to have Head lice, and therefore I should be grateful if you would inspect your child's hair and scalp. Please check all members of the household, and advise anyone else who has had close contact with your child. Treatment should only be carried out on those who are affected.

Treatment can be obtained from a chemist or GP, if you are under a Rotherham Doctor and take your child with you to a chemist treatment is available free of charge.

We would also suggest that long hair is tied back at all times.

If you have any concerns please do not hesitate to contact school or the Aston School Nursing Team on 01709 254500.

Thank you

Office Staff
