

The Friends of Whitehill

FESTIVE CREATIVE PAINTING

Wednesday 23rd November

2pm - 4.00pm in KS2 Dining Hall

Dear Parents/Carers,

The Friends of Whitehill have organised a fun and creative event for children and parents to share. Get artistic and together create your own original festive, Christmas gift or ornament. It's easy to get creative –

- First choose your item, choices include Christmas Trees, Santa's, Gingerbread Men, Tea lights, Snowmen, Stars, Money banks plus much more.
- Pay for your ceramic – prices start from £1.95
- Then get busy with the paints and create your own unique ornament, an ideal and special present or keepsake.

There will be two time slots available to avoid any congestion and enable you to sit comfortably at the painting tables.

Adults with **2 children or more** can attend at 2pm and get creative.

Adults with **only 1 child** can attend at 3.10pm.

Fill in the online form if you and your child would like to come along and paint a festive ornament before Friday 18th November to avoid disappointment as places are limited. You will find the link to the online form in the email that accompanies this letter.

Please note these items will not be fired or glazed.

Kind regards

Mrs Wildgoose
