Modern Foreign Languages Day

Dear Parents/Carers,

On Friday 24th February, children in KS2 will be taking part in French themed activities to celebrate Modern Foreign Languages Day and to launch our new and exciting French curriculum.

Children are invited to come to school dressed in a French inspired outfit or in the colours of the French flag. Please do not feel pressured to buy outfits, home made ones will be great.

There will be lots of fun activities for the children to get involved in, including trying a variety of traditional French foods.

Kind regards,
Miss Parkin
