HEADTEACHER: Mrs C Oxborough

Friday 21st April 2023

Dear Parents / Carers,

Wonderdome – Mobile Planetarium

Wonderdome Mobile Planetarium will be visiting school on Tuesday 16th May 2023. This interactive activity will enhance the children's learning about astronomy. The event will take place over the full day to enable all children to take part.

The cost of the dome is £2.00 per child. Part of the cost has been subsidised by school funds. Please contact the school office if you have any questions regarding payment. All enquiries will be treated confidentially. This request is for a voluntary contribution and in no way represents a charge. The contribution is entirely voluntary and no parent/carer is under any obligation to pay. No pupils at the school will be treated differently according to whether or not their parents have made any contribution in response to the request. However, if contributions are not forthcoming then the event may have to be cancelled.

We have had fantastic feedback regarding the dome from other schools and we are sure our children will find this a truly valuable experience.

Please consent for your child to participate in this activity and make a payment via ParentPay.

Please consent before 12th May 2023.

(consent is still needed in order for children to access this activity, even though it is taking place within school)

Kind regards,

Mrs Westnidge,
EYFS Leader
