Y3/4 Viking Day

On Monday 5th February we will be holding a Viking Day in school. This will link to our history theme and will enhance and support the learning we are doing in our history lessons. The day will be highly engaging and will involve Viking long boat making using our DT skills, Pottage making which we can then try and taste and writing and making a Viking rune necklace. The children will have many opportunities throughout the day to make links to what we have already learnt as well as have new experiences that we can use in follow up history sessions.

Children are welcome to dress up for the day as a Viking. This costume does not need to be bought, but can be very simple using bedsheets or old clothing. The more children we have dressed up the more realistic the day will be.

We are so excited for what will be a fantastic and fun day of learning.

Yours sincerely,

The Y3/4 team.
