12th February 2025

World Book Day 2025

Dear Parents/Carers,

On **Thursday 6th March**, it will be World Book Day. There will be a range of activities taking place in school to celebrate reading and our love of books. Children can come dressed as a book character or in their pjs for the day. As part of the day, there will be dedicated time to read a book for pleasure; this can be brought from home if there is a book they like to read or it can be their reading book. One of the activities during the day will be a book swap. This is where a child can bring in a book from home they have already read and no longer want/need. There will be time given to swap their book with another child so they will have a new one to bring home and read. We will also be sending home a reading chart for your child during the month of March, with different reading activities for them to complete. A reward will be given to each child who completes all of the reading activities.

We are looking forward to hearing about your children's favourite books and authors.

The Friends of Whitehill will also be holding a World Book Day Disco after school on **Thursday 6th March**. Collection will be from your child's classroom at **4:10pm**. Everything is set up on Parentpay for you to make payment of £3.50 by 3pm on Friday 28th February.

Thank you for your support,

Mrs C Oxborough
