27<sup>th</sup> January 2026

Dear Parents / Carers,

### **WonderDome – Mobile Planetarium**

WonderDome Mobile Planetarium will be visiting school on Friday 27<sup>th</sup> February 2026. This interactive activity will enhance the children's learning about astronomy. The event will take place over the full morning to enable all children to take part.

Having had such a positive experience with the dome previously, we are delighted to welcome them back. We know firsthand how valuable this experience is for the children and are sure they will find it truly inspiring.

The cost for this enrichment activity is £7.50 per child. To keep costs as low as possible, the school has already subsidised the cost of this activity. As this is an enrichment event, we rely on these contributions to cover the costs; however, if you have a genuine reason for being unable to pay, please contact the school office. All enquiries will be handled with the utmost confidentiality. Please note that if sufficient contributions are not received, the activity may unfortunately have to be cancelled.

Please complete the consent and payment for this activity on ParentPay by 3pm on Monday 23<sup>rd</sup> February. Even though the event is held in school, your child cannot participate without formal permission submitted via ParentPay.

Kind regards,

The KS1 Team
