

The Friends of Whitehill

SPRING PAINT A POT

Monday 16th March 2pm – 4pm

KS2 Dining Hall

Dear Parents and Carers,

The Friends of Whitehill have organised a fun and creative event for children and parents to share.

Get artistic and create your own original Easter or Spring Ornament.

It's easy to get creative - first choose your item, the choice includes egg plant pots, bunnies, sheep, egg baskets, egg money banks, egg tea lights, flowerpots, plus much more.

Next, pay for your ceramic (prices start from £1.95) at the event and then get busy with the paints and create your own unique ornament, an ideal and special present or keepsake. Please note this will be **Cash Only**.

If you and your child would like to come along and create an Ornament, please complete the online form. Numbers are limited so please try to reply before Wednesday 11th March to avoid disappointment.

Please note, these items will not be fired or glazed.

Regards,

The Friends of Whitehill
